

Please join us on **Friday, February 11th 2011 at 8:00 PM at McLoone's Rum Runner in Sea Bright, NJ** as the Claddagh na nGael Branch of Comhaltas continues our concert series to raise funds for our youth traditional music education programs in Monmouth and Ocean Counties.

This special evening features one of the most popular Celtic fusion bands in the NY metropolitan area, Celtic Cross.

Blending their deep Irish tradition with modern pop/folk influences, Celtic Cross has become a perennial favorite at festivals, clubs and special performances throughout the northeast.

Led by singer/songwriter Kathleen Fee, this seven piece ensemble, which also features her brothers John and Kenny Vesey, will delight with a lively mix of original music, contemporary favorites and their own inimitable take on traditional favorites.

McLoone's Rum Runner, an award winning fixture of the Jersey Shore, is offering a special 3 course pre-fixed menu for all ticket holders at \$29.95 per person. This special dinner offer is available before the show and only for ticket holders. This is separate from the ticket price and requires an advance reservation (6:00PM or 6:30PM suggested) at 732-842-2894
